IC Home Cloud

Cloud Storage is available starting at just \$3/mo for 30 days and can be upgraded up to a full year.

- ✓ 256-bit Encryption
- ✓ Your Data is Yours
- ✓ Video History
- ✓ Instant Alerts

Get the best performance from your InterCams™

- ✓ Install close to a power outlet
- ✓ Use included pads to stabilize camera
- ✓ Use WIFI extenders to boost signal
- ✓ Do not face directly into bright light
- ✓ Place near corners for wide coverage
- ✓ Do not install near speakers or air vents

Protect what matters.

The Next Generation of Home Security

We're not like the other guys.

At IC Realtime, our goal is to ensure that our customers have the best experience, no matter what it takes.

Why Choose IC Home

IC Home Is Disrupting The Markplace In Quality & Privacy

IC Home's line of products have an open RTSP stream making them home system automation ready & ready to connect to a local network recorder. Equipped with on-device SD cards for recording and playback without a cloud subscription. IC Home products can be setup in a matter of minutes out of the box.

- ✓ Simple Agreement
- ✓ Cloud Alternative
- ✓ Works Out of Box
- ✓ Integration Ready
- ✓ 7-year warranty
- ✓ Stellar Support

We believe in privacy.

IC Realtime does not harvest or sell personal data. We use an End-User Agreement that protects you. Your account info is secured by a 256-bit AES Encryption and videos are protected at 128-bit.
