

Street Smart

MOBILE SURVEILLANCE RENTAL

MOBILE SURVEILLANCE RENTAL PROGRAM

- New RMR Stream
- No capital expense or labor cost
- Turn-key installation
- Marketing Support
- Ongoing health monitoring throughout rental period

With Street Smart's rental program, I was able to rent the trailers, re-rent to my customers, and not worry about the ownership costs associated with purchasing the units.

-Jim K. | Security Professional

OUR RENTAL PROCESS

MARKETING SUPPORT

Street Smart creates partner-branded sales collateral and can even help add Mobile Surveillance Trailers to your website.

TECHNOLOGY CONFIGURATION

Mobile Surveillance Trailers are equipped with the cameras and deterrence solutions to fit the job.

LOGISTICS

Street Smart coordinates trailer delivery from one of our nine Service Centers nationwide.

SITE SETUP

An experienced technician will be on site to install the units and make sure the power, network, and camera functions are working properly.

VIDEO SOFTWARE SUPPORT & REMOTE MANAGEMENT

An experienced technician will be on site to install the units and make sure the power, network, and camera functions are working properly.
